2012 Shannon Ridge Home Ranch Cabernet Sauvignon (\$30)

A flock of 1,100 sheep help crop weeds from the vineyards that produce this generously dark-fruited Cabernet.

VIGILANCE Cimarron Lake County 2012

45% Zinfandel; 39% Syrah; 8% Petite Sirah and 8% Cabernet Sauvignon. Although it does not account for even half of this wine's make up, fairly incisive, berryish Zinfandel fruit very much comes to the fore here, and it is teamed with a careful measure of sweet oak in a most comfortable mix. The wine is full and just a touch firm with integral, never-threatening tannins adding a nice bit of structural spine. It is withal a fairly tasty morsel right now and will improve for a few years.    \$25.00
